Ms. Davison, thank you for speaking with me regarding the above matter. We represent Mapleville Main, Inc. and have commenced activities in an effort to locate information that would be responsive to the request. This is a discontinued operation that no longer has operations and facilities where records might be located. Mapleville Main is a surviving entity after a number of cooperate transactions.

We are in the process of identifying possible locations for old records and individuals who may be knowledgeable regarding the subjects of your information request. I anticipate that this may take considerable time and therefore request an extension of 90 days from the original due date for the response of Mapleville Main.

Thank you for your assistance and consideration of this request.

Regards,  
Max
